**ARTICLE II. ADMINISTRATIVE, FINANCIAL, AND PROGRAMMATIC REQUIREMENTS**

The Sub-grantee shall comply with all applicable state and federal laws, rules, regulations, requirements and program guidance identified or referenced in this Agreement and the informational documents published by FEMA applicable to the FY 2014 EMPG Program, including, but not limited to, all criteria, restrictions and requirements of the "Department of Homeland Security Funding Opportunity Announcement FY 2014 Emergency Management Performance Grant" document published by FEMA, the DHS Award Announcement Letter for Grant No. EMW-2014-EP-00033, and the federal regulations commonly applicable to DHS/FEMA grants, which are incorporated herein by reference.

The Sub-grantee acknowledges that since this Agreement involves federal funding, the period of performance described herein will likely begin prior to the availability of appropriated federal funds. The Sub-grantee agrees that it will not hold the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement, or any type of payment whatsoever for services performed under this Agreement prior to distribution of appropriated federal funds.

The Sub-grantee agrees that it will not hold the Department, the State of Washington, or the United States liable for any damages, claim for reimbursement or any type of payment if federal funds are not appropriated or in a particular amount.

**A. STATE AND FEDERAL REQUIREMENTS FOR DHS/FEMA PREPAREDNESS GRANTS:**

The following requirements, which must be met prior to reimbursement, apply to all DHS/FEMA Preparedness Grants administered by the Department.

**1. REIMBURSEMENT & BUDGET REQUIREMENTS**

- a. This is a fixed price, reimbursement Grant Agreement. Within the total Agreement amount, travel, sub-contracts, salaries and wages, benefits, printing, equipment, and other goods and services or other budget

categories will be reimbursed on an actual cost basis unless otherwise provided in this Agreement.

- b. Any travel or subsistence reimbursement allowed under the Agreement shall be paid in accordance with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended, but shall not exceed federal maximum rates set forth at <http://www.gsa.gov> without prior written approval by Department key personnel.
- c. Receipts and/or backup documentation for any approved budget line items that are authorized under this Agreement must be maintained by the Sub-grantee and be made available upon request by the Department, and local, state, or federal auditors.
- d. The Sub-grantee will submit reimbursement requests to the Department by submitting a properly completed State A-19 Invoice Form and Reimbursement Spreadsheet (in the format provided by the Department) detailing the expenditures for which reimbursement is sought. Reimbursement requests must be submitted to [HLS.Reimbursements@mil.wa.gov](mailto:HLS.Reimbursements@mil.wa.gov) no later than the due dates listed within the Milestone Timeline (Exhibit D), but not more frequently than monthly.
- e. Any request for extension of a due date will be treated as a request for Amendment of the Agreement and must be submitted to the Department's Key Personnel sufficiently in advance of the due date to provide adequate time for Department review and consideration, and can be granted or denied within the Department's sole discretion.
- f. All work under this Agreement must end on or before the Agreement End Date, and the final reimbursement request must be submitted to the Department within 45 days after the Agreement End Date, except as otherwise authorized by written amendment of the Agreement unless written approval is issued from the Department as permitted by amendment.
- g. The maximum amount of all reimbursement requests permitted to be submitted under this Agreement, including the final reimbursement request, is limited to and shall not exceed the total Agreement Amount.
- h. No equipment or supply costs will be reimbursed until the related equipment/supplies have been received by the Sub-grantee and invoiced by the vendor.
- i. Requests for reimbursement of equipment purchases must include a copy of the vendor's invoice and packing slip or a statement signed and dated by the Sub-grantee's authorized representative that states "all items invoiced have been received in good working order, are operational, and have been inventoried according to contract and local procurement requirements".
- j. Failure to timely submit complete reports and reimbursement requests as required by this Agreement (including but not limited to those reports in the Milestone Timeline) will prohibit the Sub-grantee from being reimbursed until such complete reports and reimbursement requests are submitted and the Department has had reasonable time to conduct its review.

- k. Final reimbursement requests will not be approved for payment if the Sub-grantee is not current with all reporting requirements contained in this Agreement.
- l. Cumulative changes to budget categories in excess of 10% of the Agreement amount will not be reimbursed without prior written authorization from the Department. In no case shall the total budget amount exceed the Agreement amount. Budget categories are as specified or defined on the Budget Sheet Exhibit E of the Agreement. Any changes to budget categories other than in compliance with this paragraph will not be reimbursed.
- m. The Sub-grantee is to ensure that Federal funds received under this Agreement do not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources. The EMPG Program prohibits supplanting, and the Sub-grantee may be required to demonstrate and document that a reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds.

## 2. REPORTING REQUIREMENTS

- a. The Sub-grantee shall submit with each reimbursement request a report describing completed Work Plan activities for which reimbursement is sought in the format provided by the Department.
- b. In conjunction with the next annual grant cycle application process, the Sub-grantee shall submit to the Department's Key Personnel a final report describing all completed activities under this Agreement and new activities for which grant funding will be sought in the upcoming grant cycle's Work Plan. If a Sub-grantee will not be applying for grant funding during the next annual grant cycle application process, the Sub-grantee will submit a final report with its final reimbursement request to the Department detailing progress on all activities listed in the Work Plan.
- c. In conjunction with the final report, the Sub-grantee shall submit a separate report detailing how the EMPG Exercise and Training requirements were met for all personnel funded in any part through any source of funding under this Agreement.
- d. The Sub-grantee shall also comply with the **Federal Funding Accountability and Transparency Act (FFATA)** and related OMB Guidance consistent with Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note) and complete and return to the Department Attachment #1 attached to and made a part of this Agreement.
- e. The Sub-grantee shall participate in the State's annual capabilities assessment for the State Preparedness Report.

## 3. EQUIPMENT MANAGEMENT

All equipment purchased under this Agreement, by the Sub-grantee or a contractor, will be recorded and maintained in the Sub-grantee's equipment inventory system.

- a. Allowable equipment categories for the FY 2014 EMPG Program are listed on the web-based version of the Authorized Equipment List (AEL) located at the DHS Lessons Learned Information Sharing Responder

Knowledge Base Home Page sponsored by FEMA at <http://www.ilis.dhs.gov/knowledgebase>. Reimbursement will only be provided for purchases of the following equipment: (1) equipment identified on the AEL as applicable to the EMPG program for which the Sub-grantee has received written approval from the Department Key Personnel prior to purchase and, (2) equipment not identified on the AEL as allowable under the EMPG Program for which the Sub-grantee has received written approval from FEMA through the Department Key Personnel prior to purchase. Sub-grantees must contact the Department Key Personnel for assistance in seeking FEMA approval for purchase of equipment not on the AEL. Unless expressly provided otherwise, all equipment must meet all mandatory regulatory and/or FEMA adopted standards to be eligible for purchase using EMPG Program funds. No reimbursement will be provided unless the appropriate prior written approval has been provided.

- b. Upon successful completion of the terms of this Agreement, all equipment purchased through this Agreement will be owned by the Sub-grantee, or a recognized sub-recipient for which a contract, sub-Grant Agreement, or other means of legal transfer of ownership is in place.
- c. The Sub-grantee, or a recognized sub-recipient/sub-contractor, shall be responsible for any and all operational and maintenance expenses and for the safe operation of their equipment including all questions of liability. The Sub-grantee shall develop appropriate maintenance schedules and procedures to ensure the equipment is well maintained and kept in good operating condition.
- d. The Sub-grantee shall maintain equipment records that include: a description of the property; the manufacturer's serial number, model number, or other identification number; the source of the equipment, including the Catalogue of Federal Domestic Assistance (CFDA) number; who holds the title; the acquisition date; the cost of the equipment and the percentage of Federal participation in the cost; the location, use and condition of the equipment at the date the information was reported; and disposition data including the date of disposal and sale price of the property.
- e. Records for equipment shall be retained by the Sub-grantee for a period of six years **from the date of the disposition, replacement, or transfer**. If any litigation, claim, or audit is started before the expiration of the six year period, the records shall be retained by the Sub-grantee until all litigation, claims, or audit findings involving the records have been resolved.
- f. The Sub-grantee shall take a physical inventory of the equipment and reconcile the results with the property records **at least once every two years**. Any differences between quantities determined by the physical inspection and those shown in the records shall be investigated by the Sub-grantee to determine the cause of the difference. The Sub-grantee shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.
- g. The Sub-grantee shall develop a control system to ensure adequate safeguards to prevent loss, damage, and theft of the property. Any loss, damage, or theft shall be investigated and a report generated and sent to the Department.

- h. If the Sub-grantee is authorized or required to sell the property, proper sales procedures must be established and followed to ensure the highest possible return.
- i. When original or replacement equipment is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:
  - i. Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of by the Sub-grantee with no further obligation to the awarding agency.
  - ii. Items of equipment with a current per-unit fair market value of more than \$5,000 may be retained or sold and the Sub-grantee shall compensate the Federal-sponsoring agency for its share.
- j. As a recipient of federal funds, the Sub-grantee must pass on equipment management requirements that meet or exceed the requirements outlined above for all sub-contractors, consultants, and sub-recipients who receive pass-through funding from this Agreement.
- k. The Sub-grantee must obtain and maintain all necessary certifications and licenses for the equipment. Sub-grantees are solely responsible for ensuring equipment eligibility.

- b. The EHP review process involves the submission of a detailed project description that explains the goals and objectives of the proposed project along with supporting documentation so FEMA may determine whether the proposed project has the potential to impact environmental resources and/or historic properties.
- c. The Sub-grantee agrees that to receive any federal preparedness funding, all EHP compliance requirements outlined in applicable guidance must be met. The EHP review process **must be completed before** funds are released to carry out the proposed project.

This requirement must be passed on to all of the Sub-grantee's sub-contractors, at which point the Sub-grantee will be responsible for reviewing and approving their sub-contractors' sole source justifications.

**6. SUB-GRANTEE MONITORING**

- a. The Department will monitor the activities of the Sub-grantee from award to closeout. The goal of the Department's monitoring activities will be to ensure that agencies receiving federal pass-through funds are in compliance with this Agreement, federal and state audit requirements, federal grant guidance, and applicable federal and state financial regulations, as well as OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations.

- c. Monitoring activities may include, but are not limited to:
  - i. review of performance reports;
  - ii. monitoring and documenting the completion of Agreement deliverables;
  - iii. documentation of phone calls, meetings, e-mails and correspondence;
  - iv. review of reimbursement requests and supporting documentation to ensure allowability and consistency with Agreement work plan, budget and federal requirements;
  - v. observation and documentation of Agreement related activities, such as exercises, training, funded events and equipment demonstrations;
  - vi. on-site visits to review equipment records and inventories, to verify source documentation for reimbursement requests and performance reports, and to verify completion of deliverables.
- d. The Sub-grantee is required to meet or exceed the monitoring activities, as outlined above, for all sub-contractors, consultants, and sub-recipients who receive pass-through funding from this Agreement.

**7. NIMS COMPLIANCE**

Examples of relevant debt include delinquent payroll and other taxes, audit disallowances, and benefit overpayments. Providing meaningful access for persons with LEP may entail providing

language assistance services, including oral interpretation and written translation. In order to facilitate compliance with Title VI, recipients are encouraged to consider the need for language services for LEP persons served or encountered in developing program budgets. Executive Order 13166, *Improving Access to Services for Persons with Limited English Proficiency* (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations. DHS published the required recipient guidance in April 2011, *DHS Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons*, 76 Fed. Reg. 21755-21768, (April 18, 2011). The Guidance provides helpful information such as how a recipient can determine the extent of its obligation to provide language services; selecting language services; and elements of an effective plan on language assistance for LEP persons. As defined in Circular A-133, the term "non-federal entity" means a State, local government, or non-profit organization, and the term "State" includes Indian tribes. Circular A-133 is available on the OMB Home Page at <http://www.omb.gov>.

SUB-GRANTEES that qualify as subrecipients required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing

Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the Comptroller General and the OMB Compliance Supplement. The SUB-GRANTEE has the responsibility of notifying its auditor and requesting an audit in compliance with Circular A-133, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by Circular A-133.

Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report. The SUB-GRANTEE must respond to Department requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The DEPARTMENT reserves the right to recover from the SUB-GRANTEE all disallowed costs resulting from the audit.

Once the single audit has been completed, the SUB-GRANTEE must send a full copy of the audit to the DEPARTMENT and a letter stating there were no findings, or if there were findings, the letter should provide a list of the findings. The SUB-GRANTEE must send the audit and the letter no later than nine (9) months after the end of the SUB-GRANTEE's fiscal year(s) to:

In addition to sending a copy of the audit, the SUB-GRANTEE must include a corrective action plan for any audit findings and a copy of the management letter if one was received.

If SUB-GRANTEE claims it is exempt from the audit requirements of Circular A-133, SUB-GRANTEE must send a letter identifying this Grant Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the SUB-GRANTEE fiscal year(s) to:

**Contracts Office

Finance Division, Building #1 TA-20  
Camp Murray, WA 98430-5032**

The DEPARTMENT retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The SUB-GRANTEE shall include the above audit requirements in any sub-contracts.

Conducting a single or program-specific audit in compliance with Circular A-133 is a material requirement of this Grant Agreement. In the absence of a valid claim of exemption from the audit requirements of Circular A-133, the SUB-GRANTEES failure to comply with said audit requirements may result in one or more of the following actions in the Department's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with Circular A-133; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

If requested by the DEPARTMENT, the SUB-GRANTEE shall complete and sign a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form. Any such form completed by the SUB-GRANTEE for this Grant Agreement shall be incorporated into this Grant Agreement by reference.

Further, the SUB-GRANTEE agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Sub-Grantee must ensure that its procurement process requires contractors and subcontractors to provide adequate documentation with sufficient detail to support the costs of the project and to allow both the Sub-Grantee and DEPARTMENT to make a determination on eligibility of project costs.

All sub-contracting agreements entered into pursuant to this Grant Agreement shall incorporate this Grant Agreement by reference.

A.29 SUB-GRANTEE NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Grant Agreement. The SUB-GRANTEE, and/or employees or agents performing under this Grant Agreement are not employees or agents of the DEPARTMENT in any manner whatsoever. The SUB-GRANTEE will not be presented as nor claim to be an officer or employee of the DEPARTMENT or of the State of Washington by reason of this Grant Agreement, nor will the SUB-GRANTEE make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the DEPARTMENT or of the State of Washington by reason of this Grant Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

It is understood that if the SUB-GRANTEE is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the state of Washington in their own right and not by reason of this Grant Agreement.

A.30 TAXES, FEES AND LICENSES

Unless otherwise provided in this Grant Agreement, the SUB-GRANTEE shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the SUB-GRANTEE or its staff required by statute or regulation that are applicable to Grant Agreement performance.

A.31 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Grant Agreement, the SUB-GRANTEE may terminate this Grant Agreement by providing written notice of such termination to the DEPARTMENTS's Key Personnel identified in the Grant Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Grant Agreement, the DEPARTMENT, in its sole discretion and in the best interests of the State of Washington, may terminate this Grant Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the SUB-GRANTEE. Upon notice of termination for convenience, the DEPARTMENT reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the SUB-GRANTEE from incurring additional obligations of funds. In the event of termination, the SUB-GRANTEE shall be liable for all damages as authorized by law. The rights and remedies of the DEPARTMENT provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR CAUSE

In the event the DEPARTMENT, in its sole discretion, determines the SUB-GRANTEE has failed to fulfill in a timely and proper manner its obligations under this Grant Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the SUB-GRANTEE unable to perform any aspect of the Grant Agreement, or has violated any of the covenants, agreements or stipulations of this Grant Agreement, the DEPARTMENT has the right to immediately suspend or terminate this Grant Agreement in whole or in part.

The DEPARTMENT may notify the SUB-GRANTEE in writing of the need to take corrective action and provide a period of time in which to cure. The DEPARTMENT is not required to allow the SUBGRANTEE an opportunity to cure if it is not feasible as determined solely within the DEPARTMENT's discretion. Any time allowed for cure shall not diminish or eliminate the SUB-GRANTEE's liability for damages or otherwise affect any other remedies available to the DEPARTMENT. If the DEPARTMENT allows the SUB-GRANTEE an opportunity to cure, the DEPARTMENT shall notify the SUB-

GRANTEE in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the DEPARTMENT, or if such corrective action is deemed by the DEPARTMENT to be insufficient, the Grant Agreement may be terminated in whole or in part.

The DEPARTMENT reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the SUB-GRANTEE from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the SUB-GRANTEE, if allowed, or pending a decision by the DEPARTMENT to terminate the Grant Agreement in whole or in part.

In the event of termination, the SUB-GRANTEE shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Grant Agreement and the replacement or cover Grant Agreement and all administrative costs directly related to the replacement Grant Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the DEPARTMENT provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the SUB-GRANTEE: (1) was not in default or material breach, or (2) failure to perform was outside of the SUB-GRANTEE's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".

#### A.33 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the DEPARTMENT terminates this Grant Agreement, the SUB-GRANTEE shall follow any procedures specified in the termination notice. Upon termination of this Grant Agreement and in addition to any other rights provided in this Grant Agreement, the DEPARTMENT may require the SUB-GRANTEE to deliver to the DEPARTMENT any property specifically produced or acquired for the performance of such part of this Grant Agreement as has been terminated.

If the termination is for convenience, the DEPARTMENT shall pay to the SUB-GRANTEE the agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the DEPARTMENT prior to the effective date of Grant Agreement termination, and the amount agreed upon by the SUB-GRANTEE and the DEPARTMENT for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the DEPARTMENT, (iii) other work, services and/or equipment or supplies which are accepted by the DEPARTMENT, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Grant Agreement. If the termination is for cause, the DEPARTMENT shall determine the extent of the liability of the DEPARTMENT. The DEPARTMENT shall have no other obligation to the SUB-GRANTEE for termination. The DEPARTMENT may withhold from any amounts due the SUB-GRANTEE such sum as the DEPARTMENT determines to be necessary to protect the DEPARTMENT against potential loss or liability.

The rights and remedies of the DEPARTMENT provided in this Grant Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the DEPARTMENT in writing, the SUB-GRANTEE shall:

- a. Stop work under the Grant Agreement on the date, and to the extent specified, in the notice;

- b. Place no further orders or sub-contracts for materials, services, supplies, equipment and/or facilities in relation to this Grant Agreement except as may be necessary for completion of such portion of the work under the Grant Agreement as is not terminated;
- c. Assign to the DEPARTMENT, in the manner, at the times, and to the extent directed by the DEPARTMENT, all of the rights, title, and interest of the SUB-GRANTEE under the orders and sub-contracts so terminated, in which case the DEPARTMENT has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and sub-contracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and sub-contracts, with the approval or ratification of the DEPARTMENT to the extent the DEPARTMENT may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the DEPARTMENT and deliver in the manner, at the times, and to the extent directed by the DEPARTMENT any property which, if the Grant Agreement had been completed, would have been required to be furnished to the DEPARTMENT;
- f. Complete performance of such part of the work as shall not have been terminated by the DEPARTMENT in compliance with all contractual requirements; and
- g. Take such action as may be necessary, or as the DEPARTMENT may require, for the protection and preservation of the property related to this Grant Agreement which is in the possession of the SUB-GRANTEE and in which the DEPARTMENT has or may acquire an interest.

A.34 TRAVEL AND SUBSISTENCE REIMBURSEMENT

Unless the Grant Agreement specifically provides for different rates, any travel or subsistence reimbursement allowed under the Agreement shall be paid in accordance with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended. The SUB-GRANTEE may be required to provide to the Department copies of receipts for any travel related expenses other than meals and mileage (example: parking) that are authorized under this Agreement.

A.35 UTILIZATION OF MINORITY AND WOMEN BUSINESS ENTERPRISES (MWBE)

The SUB-GRANTEE is encouraged to utilize business firms that are certified as minority-owned and/or women-owned in carrying out the purposes of this Grant Agreement. The SUB-GRANTEE may set utilization standards, based upon local conditions or may utilize the state of Washington MWBE goals, as identified in WAC 326-30-041.

A.36 WAIVERS

No conditions or provisions of this Grant Agreement can be waived unless approved in advance by the DEPARTMENT in writing. The DEPARTMENT's failure to insist upon strict performance of any provision of the Grant Agreement or to exercise any right based upon a breach thereof, or the acceptance of any performance during such breach, shall not constitute a waiver of any right under this Grant Agreement.

A.37 VENUE

This Grant Agreement shall be construed and enforced in accordance with, and the validity and performance shall be governed by, the laws of the state of Washington. Venue of any suit between the parties arising out of this Grant Agreement shall be the Superior Court of Thurston County, Washington. The SUB-GRANTEE, by execution of this Grant Agreement acknowledges the jurisdiction of the courts of the State of Washington.

**ADDITIONAL AGREEMENT PROVISIONS AND WORKSHEET**  
**For Compliance With The**  
**Federal Funding Accountability and Transparency Act of 2006 (P.L. 109-282) (FFATA)**

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website. Federal awards include grants, subgrants, loans, awards, cooperative agreements, and other forms of financial assistance as well as contracts, subcontracts, purchase orders, task orders, and delivery orders. The legislation does not require inclusion of individual transactions below \$25,000 or credit card transactions before October 1, 2008. However, if an award is initially below this amount yet later increased, the act is triggered. Due to this variability in compliance Subrecipients are **required** by the Military Department to be familiar with the FFATA requirements and complete this Worksheet for *each contract* for the State's submission in to the FFATA portal.

**ADDITIONAL PROVISIONS**

- A. This grant agreement contract (subaward) is supported by federal funds, requiring compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act) and Office of Management and Budget Guidance (OMB). Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note). By entering into this grant agreement contract, the sub-grantee agrees to provide all applicable reporting information to the Washington Military Department (WMD) required by FFATA and OMB Guidance.
- B. The FFATA requires the OMB to establish a publicly available online database (USASpending.gov) containing information about entities that are awarded Federal grants, loans, and contracts. As required by FFATA and OMB Guidance, certain information on the first-tier subawards related to Federal contracts and grants, and the executive compensation of awardees, must be made publicly available.
- C. For new Federal grants beginning October 1, 2010, if the initial subaward is equal to or greater than \$25,000, reporting of the subaward and executive compensation information is required. If the initial subaward is below \$25,000 but subsequent grant modifications result in a total subaward equal to or over \$25,000, the subaward will be subject to the reporting requirements as of the date the subaward exceeds \$25,000. If the initial subaward equals or exceeds \$25,000 but funding is subsequently de-obligated such that the total award amount falls below \$25,000, the subaward continues to be subject to the reporting requirements of the Transparency Act and OMB Guidance.
- D. As a Federal grant subawardee under this grant agreement contract, your organization is required by FFATA, OMB Guidance and this grant agreement contract to provide the WMD, as the prime grant awardee, all information required for FFATA compliant reporting by WMD. This includes all applicable subawardee entity information required by FFATA and OMB Guidance, subawardee DUNS number, and relevant executive compensation data, as applicable.
  1. Data about your organization will be provided to USASpending.gov by the WMD. System for Award Management (SAM) is a government wide registration system for organizations that do business with the Federal Government. SAM stores information about awardees including financial account information for payment purposes and a link to D&B for maintaining current DUNS information, <http://www.sam.gov>. WMD requires SAM registration and annual renewal by your organization to minimize unnecessary data entry and re-entry required by both WMD and your organization. It will also reduce the potential of inconsistent or inaccurate data entry.
  2. Your organization must have a Data Universal Numbering System (DUNS) number obtained from the firm Dun and Bradstreet (D&B) (<http://www.dnb.com>). A DUNS number provides a method to verify data about your organization. D&B is responsible for maintaining unique identifiers and organizational linkages on behalf of the Federal Government for organizations receiving Federal assistance.

- E. The WMD, as the prime awardee, is required by FFATA to report names and total compensation of the five (5) most highly compensated officers of your organization (as the subawardee) if:
1. Your organization (the subawardee), in the preceding fiscal year, received 80 percent or more of its annual gross revenues from Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards; and
  2. The public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986.

"Total compensation" for purposes of this requirement generally means the cash and non-cash value earned by the executive during the past fiscal year and includes salary and bonus; awards of stock, stock options and stock appreciation rights; and other compensation such as severance and termination payments, and value of life insurance paid on behalf of the employee, and as otherwise provided by FFATA and applicable OMB guidance.

- F. If (1) in the preceding fiscal year your organization received 80 percent or more of its annual gross revenues from Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards, and (2) the public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986, insert the names and total compensation for the five most highly compensated officers of your organization in the table below.

**Purpose:** As a pass-through agency of federal grant funds, the Washington Military Department/Emergency Management Division (WMD/EMD) is required by Office of Management and Budget (OMB) Circular A-133 to monitor activities of subrecipients to ensure federal awards are used for authorized purposes and ensure that subrecipients expending \$500,000 or more in federal awards during their fiscal year have met the OMB Circular A-133 Audit Requirements. **Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I Instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

**Note.** If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

**Part II Certification**

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below), and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out Item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, Item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** The IRS has created a page on IRS.gov for information about Form W-9, at [www.irs.gov/w9](http://www.irs.gov/w9). Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

**360-740-1343**

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity,
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust, and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

### Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* on page 1.

**What is FATCA reporting?** The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

**Sole proprietor.** Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

**Partnership, C Corporation, or S Corporation.** Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA) name" on the "Business name/disregarded entity name" line.

**Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulation section 301.7701-2(c)(2)(iii). Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

**Note.** Check the appropriate box for the U.S. federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

**Limited Liability Company (LLC).** If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the U.S. federal tax classification in the space provided. If you are an LLC that is treated as a partnership for U.S. federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation, as appropriate. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for U.S. federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

**Other entities.** Enter your business name as shown on required U.S. federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

## Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the *Exemptions* box, any code(s) that may apply to you. See *Exempt payee code* and *Exemption from FATCA reporting code* on page 3.

Corporations are exempt from backup withholding for certain payments, such as interest and dividends. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. **Part I. Taxpayer Identification Number (TIN)**

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [IRS.gov](http://IRS.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

**Part II. Certification**

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt payee code* earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

**Secure Your Tax Records from Identity Theft**

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.** Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 1-877-IDTHEFT (1-877-438-4338).

Visit [IRS.gov](http://IRS.gov) to learn more about identity theft and how to reduce your risk.

**Privacy Act Notice**

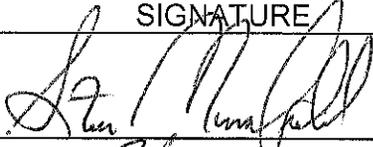

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business activity.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under applicable CFR, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**Purpose:** As a pass-through agency of federal grant funds, the Washington Military Department/Emergency Management Division (WMD/EMD) is required by Office of Management and Budget (OMB) Circular A-133 to monitor activities of subrecipients to ensure federal awards are used for authorized purposes and ensure that subrecipients expending \$500,000 or more in federal awards during their fiscal year have met the OMB Circular A-133 Audit Requirements. Your entity is a subrecipient subject to such monitoring by MIL/EMD because it is a non-federal entity that expends federal grant funds received from MIL/EMD as a pass-through entity to carry out a federal program. OMB Circular A-133 can be found at [http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133\\_revised\\_2007.pdf](http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf), and it should be consulted when completing this form.

**Directions:** As required by OMB Circular A-133, non-federal entities that expend \$500,000 in federal awards in a fiscal year shall have a single or program-specific audit conducted for that year. If your entity **is not** subject to A-133 requirements, you must complete Section A of this Form. If your entity **is** required to complete an A-133 Audit, you must complete Section B of this form. When completed, you must sign, date, and return this form with your grant agreement contract and every fiscal year thereafter until the grant agreement contract is closed. Failure to return this completed Audit Certification Form may result in delay of grant agreement processing, withholding of federal awards or disallowance of costs, and suspension or termination of federal awards.

**SECTION A: Entities NOT subject to the audit requirements of OMB Circular A-133**

- We are exempt for other reasons (describe):

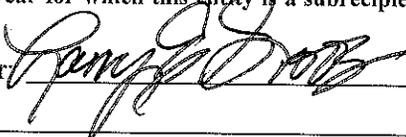

However, by signing below, I agree that we are still subject to the audit requirements, laws and regulations governing the program(s) in which we participate, that we are required to maintain records of federal funding and to provide access to such records by federal and state agencies and their designees, and that WMD/EMD may request and be provided access to additional information and/or documentation to ensure proper stewardship of federal funds.
