

Lewis-Mason-Thurston Area Agency on Aging Advisory Council Application

Full Name: Cindy Mund

Home/Mailing Address: 2812 Van Dyke Drive, Centralia, WA 98531

Home Phone: 360.807.6550 Alternate Phone: Cell: 360.789.2167

Email Address: cmund@comcast.net

Current or Past Volunteer/Work Experience: For the past five years I have worked as a Resident Consultant and Realtor for Stillwaters Estates Retirement Community here in Centralia. Prior to this I worked for 30 years for DSHS in their Economic Services Administration. The last seven years of which I worked as Regional Administrator for SW Washington. My volunteer experiences include:
Current: Medical Reserve Corps and Community Emergency Response Team for Lewis County. Prior volunteer experiences include: Lewis County Salvation Army, United Way of Lewis County, AARP Tax Preparer and work with Chamber of Commerce on local events.

Please tell us about three issues facing the elderly and younger disabled adults that you are particularly interested in. _____

1. Access to Medical Care (Finding a primary care physician)
2. Improving home care services to allow for aging in place
3. Helping families navigate systems that support aging parents/relatives.

Do you have other abilities and talents that you would enjoy contributing to the Council (public speaking, writing, researching, event planning)? I have experience in all these areas but particularly enjoy writing and researching. In my current job at Stillwaters I write a weekly blog about life in Stillwaters and often this includes writing about aging, retirement and local services. I am interested in working on Aging issues and learning how to impact legislation and rule-making.
